

# The Pheasant Call

"Redfield High School in Print"

VOLUME 48 MONDAY, MARCH 27, 1972. REDFIELD, S.D. NUMBER 14

## Band Will Perform In Concert Tonight

Band members will present their annual spring concert tonight at 8 p.m. Under the direc-

tion of Mr. Mayo Weisflock, the band will include a wide range of numbers.

Featured on two of the selections will be Dave Schmidt, an RHS graduate. Dave will play a guitar accompaniment to "Mottown," a collection of several modern songs. He will also play with the band in "Jesus Christ Superstar."

The new stage lighting will be utilized on two songs. Special lighting effects will be used to set the mood for a desert scene and also an exciting storm passage in the two numbers. Mike Pearce and Mr. Gordon Bohl are supervising the lighting.

Bill Zahn will be doing a very unusual clarinet solo. His solo is the song "Immer Kleiner," meaning always smaller; which is exactly what happens. As the song progresses, Bill dismantles his instrument for a very interesting effect. He ends by playing the last passage on his mouthpiece alone.

## Girls To Visit Region Convo

FHA'ers will attend their Region VII meeting in Miller on March 28. Twenty-seven members of the local chapter will represent RHS.

The theme of the meeting is "Growing Together." Emphasis will be placed on the new state program of work, "We CARE." The Redfield chapter will present a skit, "Follow the Yellow-brick Road," to introduce the part of the program that deals with safety.

The state FHA secretary-treasurer will be elected by the chapters of Region VII. Patty Miesen is Redfield's candidate for this office.

## Homemakers Celebrate National FHA Function

"Profile of Youth" is the theme for the National Future Homemakers of America Week observed nationwide March 19

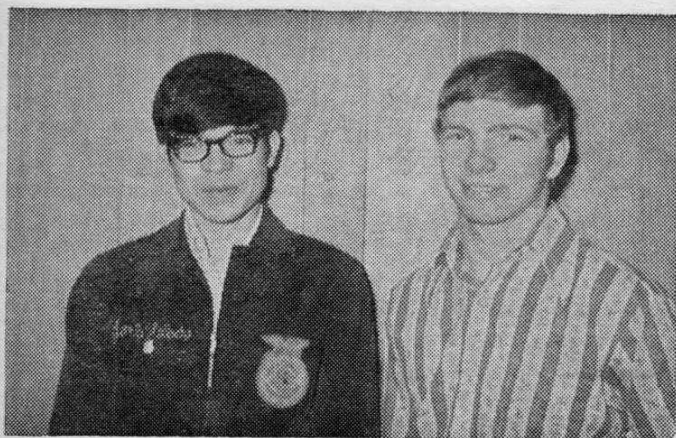

through March 25.

F.H.A. members from Redfield High School have planned activities to carry out the theme. Sunday was designated as family day, Tuesday as teacher appreciation day, Wednesday as red and white day, Thursday was publicity day. Members participated in activities such as sponsoring a faculty coffee, a radio program, posters and window exhibits.

Activities that the F.H.A.'ers have planned throughout the year meet the two objectives of the national program of work. They are to strengthen bonds within the family and between family and community, and to help youth comprehend the problems of society and contribute to their solution. Monthly programs also further the state projects as well.

Mrs. Robert Sampson is the advisor to the chapter, and Mrs. Harold Olson, Frankfort, is chapter mother.

Officers of the organization this year are Betty Miesen, president; Debbie Harr, first vice president; Jill Noyes, second vice president; Brenda Stapp, secretary; Dianne Strande, treasurer; Marla Schmidt, reporter, and Lois Siebrecht, historian.

### Students Take Ag Honors

Redfield's FFA Chapter attended the Dakota Winter Show in Huron on March 22. The livestock judging team captured second place. The team consisted of Gary Lambert, Mike Brink, Bruce Cartner, and Terry Hansen. Joel Haber was named the top individual by placing first ahead of 480 participants. Shown here are Joel Haber, left, and Bruce Cartner, right.

## Ag Students Compete In Judging Contests

On March 24, forty members of the FFA Chapter attended the Little International, held in Brookings. The members participated in Livestock and Crops judging.

The Dakota Winter Show, taking place in Huron, was held March 22nd. Redfield's livestock judging team captured second place. The team consists of Gary Lambert, Mike Brink, Bruce Cartner, and Terry Hansen. All four are seniors at RHS. The freshman members of FFA participated in crop judging. Redfield had 25 FFA members attending.

Robert Sampson, county agent, and his 4-H members also went to Huron. Joel Haber, an RHS junior, was named top individual. He won this honor by placing ahead of 480 other participants.

The 1971-72 year has been an industrious year for the FFA Chapter. They've busied themselves by attending many judging schools and contests. These include the District Convention at Pierre, a judging school held at Watertown, and the meat team traveling to Letcher.

Accompanying the members on their trips, is the FFA chapter adviser, Mr. Kermit Pearson. Officers of the Redfield chapter are President Tom Nuhsbaumer, Gary Lambert as vice president, Secretary Foster Boyd, and Pat Schaffer as treasurer. Other officers are Mike Brink as reporter, Bruce Cartner as sentinel, and Gary Van Vleet as Student Council representative.

## Northern Has Athletic Day

Sports Day was sponsored by the Physical Education Major and Minor Club from NSC last Saturday. Each of the 15 to 20 schools attending brought ten girls to represent them at the annual event.

Volley ball competition consisted of three 3-game sessions. After the team completed their games, they were allowed to go swimming, folk or square dancing, or tour the campus.

Girls who made the trip were Brenda Miller, Lavonne Opitz, Brenda Stapp, and Lisa Betten. Patty Miesen, Connie Robinson, Lana Moeller, Jody Tubandt, and Peggy and Penny Solheim also attended. Mrs. Roberta Schumacher accompanied the girls. The team wore their new blue and gold uniforms for the contest.

### RHS Soph To Seek Office

Redfield will send a contingent to the FHA regional meeting in Miller on March 28. One of the functions is the election of officers. Marla Schmidt, left, is serving as regional secretary this year. RHS's candidate for that office this year is Patti Miesen.

# From The Editor...

## Guidance Proves To Be Valuable

Proper guidance for high school students is as important as the education they receive in school. Making the decision concerning one's future education and vocation is a big responsibility, and a department assigned to assist students in making this decision is a tremendous help.

Information on occupations and colleges is displayed in the guidance room. In addition, scholarship material is presented to students, and many opportunities are now available in this area.

Another service provided by the guidance department that is new this year is a job placement program. The guidance office has a categorized listing of jobs that RHS students desire; and when an opening occurs, a student is contacted about the job.

Career Night, the first held in this school in many years, was put on last week. Juniors and seniors from RHS, along with Senior Classes from surrounding schools were invited to listen to speakers in the fields they plan to enter.

Proper guidance is an essential part of one's high school education which gets increasingly important in the junior and senior years.

## British Notes..

## AFS'er Discusses Speeches

BY MIKE PEARCE

As many of you know, since the beginning of December, I have been traveling around the area giving talks to many of the groups and clubs which meet in this area. This is really fun because it has given me a chance to meet a lot more people most of whom I would never have met otherwise. The busiest time was during the latter part of January, February, and the first part of March. Now the number I have left to do is small but I was kept busy for a while, doing two a week.

Speaking engagements are not the only thing I have been attending, as some of the AFS clubs in other towns have been having what we call AFS Weekends. These are designed to help the AFS students from other countries get together and talk about their experiences so others can learn one person's

experiences. Not only is it good to hear these things, but it is fun to have friends in different parts of the world, even some in different parts of the same country. No matter who goes to these weekends, it is possible for everyone to learn something.

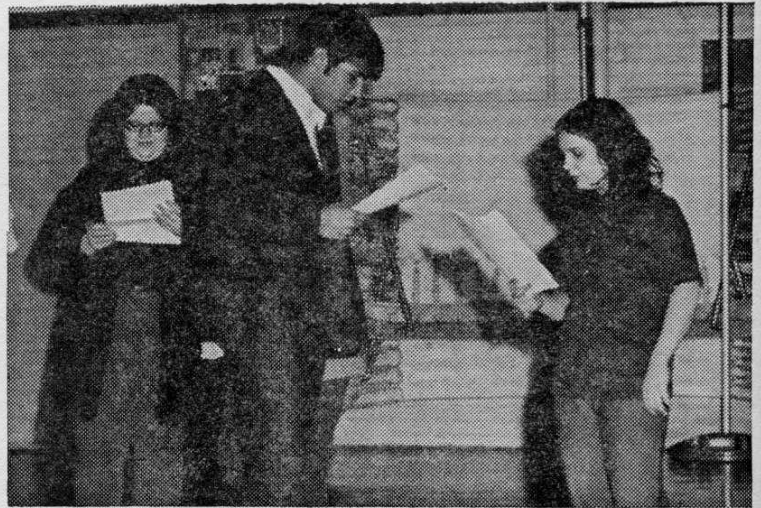

Both of the above subjects I feel are useful to everyone who is concerned. In my talks I think it is good that I can give people some idea of what my country is like, while at the weekends everyone present can learn about several other countries.

## FFA Sponsors District School

Today, Redfield's FFA Chapter is hosting the District judging school. This is an all day event and has been held at Redfield for several years. Activities that are being held include dairy judging at RHS, poultry judging in the Armory, and crops judging. Also taking place today is the speech and talent contests. This event takes place in the new edition of RHS. About sixteen schools are entered in these events.

## Actors Rehearse For Drama

Rita Silins, left, Bob Curtis, and Vicki Cockrell are working on the one-act play *IDENTITY*. The actors have been working about two weeks on their productions, and will perform them soon, although no definite date has been set.

## Letter To The Editor...

## Litterbugs Destroy Beauty

As a person walks to school each day, so does he walk through the jungle of litter which has been strewn around our school by students.

We do not need to condemn our school with plagues of candy wrappers, flip-tops, strips of paper, and cans. None should be guilty of this crime called littering. We should take the time and effort to walk just that extra step to eliminate litter from the sidewalk and gutter.

Aren't we all guilty of this crime? And what should we do about it? The problem does not rest upon the highest authority, but on each individual.

Pollution has been a lost fight, as far as the beauty of nature is

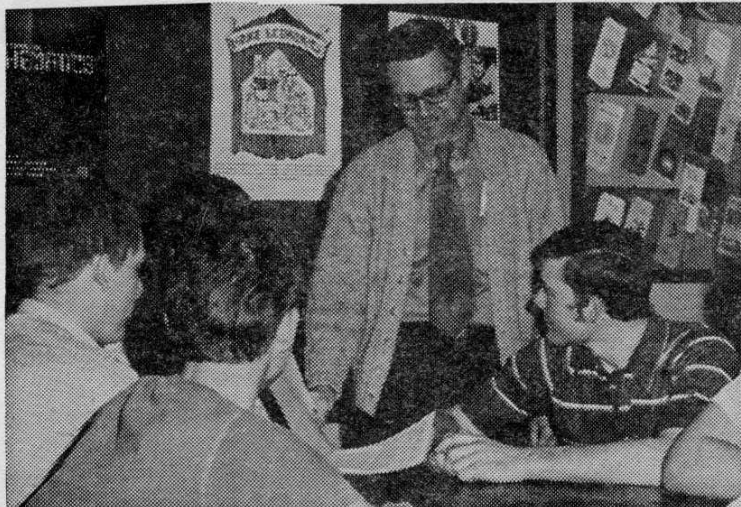

concerned. We must learn how to overcome this hideous obstacle which stands in the path of everyone. We are not concerned with just the uncleanness about our school, but also concerned with it in our homes, our jobs and our lives.

Most students in our school are aware of the problems facing our environment, but few know what they as private individuals can do to improve the quality of life in the community. It would not take nery if each and every one of us much effort to clean-up the sordid our share. Most of the pollution that plagues our town is litter. We are free from the smoke-belching factories and we are fortunate enough to have a good supply of clean water. But if you think that factories, mines, and automobiles are the only pollution makers you are grossly off base.

We have yet to make an attempt on the problem. We have foreseen the problems awaiting us and we are now ready for the attempt. Shouldn't we, the high school, set examples for our future classes?

All we need is cooperation and concern from every student in RHS.

THE JUNIOR CLASS

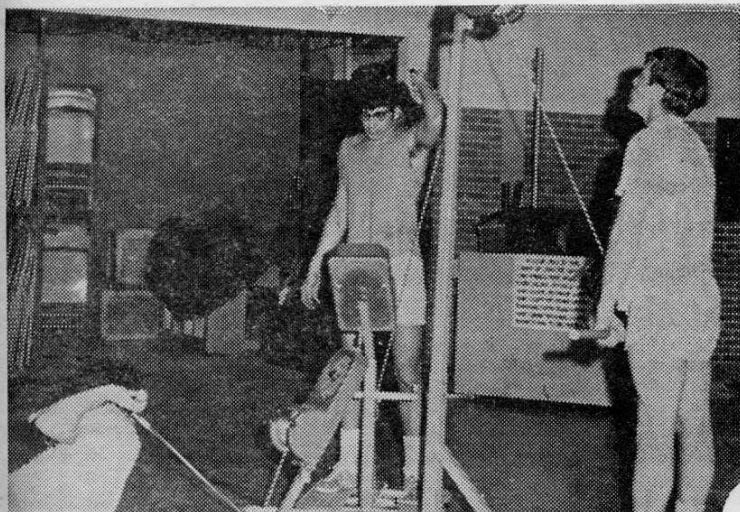

## Speaker Instructs On Occupation

Mr. Don Bradley is speaking to a group of seniors and juniors on his occupational field at Career Night. The event was held March 21, at Redfield High School.

### *Weightmen Condition For Meets*

RHS trackmen are shown during a vigorous workout at the newly purchased weight machine. Here Steve Jones, Randy Bentz, and Terry Anderson go through some repetition weight training. The track squad reported for workouts on March 20. The squad is preparing for their first meet, which is April 5, at Redfield.

# Track Season Starts For RHS Thinclads

RHS tracksters are looking forward to yet another successful season under Coach Ken Greeno and Assistant Coaches Richard Strande and Dale Anderson. The thinclads began workouts earlier this month in preparation for the meets which start in April.

There are approximately 45 boys out for track this year. Coach Greeno will work with the runners; Mr. Strande, the umpires; and Mr. Anderson, the weightmen. Although quite a few lettermen were lost through graduation, the Pheasants should have a strong nucleus and a good shot at taking the Northeast Conference crown, which has been won by Redfield for several years run-

ning. Senior distance runner Don Zundel is looked to lead Pheasant runners and the loss of his brother, Bob, through a family move to North Dakota will undoubtedly hurt Pheasant chances in the longer races.

Redfield begins the season in a triangular meet with Conde and Northwestern at Redfield April 5. Other highlights of the track season include the Redfield Relays April 21, the Big Four Meet at Redfield April 26, the Northern Plains Meet at Redfield May 5, the Northeast Conference meet at Aberdeen May 12, and the regional and state meets at Watertown and Mitchell on May 20 and May 26-27, respectively. Other meets on the schedule for the Pheasants are a dual meet at Pierre April 7, the Sioux Relays at Eagle Butte April 14, the S.D.S.U. Invitational at Brookings April 15, and the Watoma Relays at Watertown April 22. Also on the slate are the Sisseton Relays at Sisseton April 28 and the Aberdeen Relays April 29 at Aberdeen.

### **Fargo**

A small contingent of Redfield thinclads traveled to an indoor meet at Fargo March 18. The contest included entries from three states and was held in the North Dakota State University Fieldhouse.

Sophomore trackster Bob Zundel secured the only Redfield points in the meet by winning fourth place in the two-mile race. Bob completed the race in 10:28, which bettered the school two-mile record which he had set last year.

Kevin Boschee and Scott Hicks reached the semifinals in the 60-yard dash and high and low hurdles, respectively, but were unable to enter the finals.

## *Cage Squad Finishes Rebuilding Year; Coach Lon Scriver Picks Lettermen*

Basketball Coach Lonnie Scriver picked his 1971-72 lettermen. The list includes two seniors, five juniors, and three sophomores.

Senior letterwinners were Russ Battey and Steve Raebel. Daryl Jungwirth, Randy Swedeen, Dave Dorsey, Kevin Gaulrapp, and Randy Bush were the junior lettermen. Sophomores Reed Siegling, Rich Jankord, and Steve Jones also won basketball letters. Tom Moon, Dean Jankord, Bill Betten, and Tim Robinson received monograms. Winning student manager letters were Kendall Swedeen, Jim Bradley, and Dave Wilson.

The 1971-72 cage squad ended the season with a 2-20 record, post-

ing wins over Faulkton and Brookings. Redfield finished in the Northeast Conference cellar with a 0-14 record. The Pheasants were fourth in the Big Four Tournament, falling to Miller and Wessington Springs. In Section I Tournament play RHS was third. The team fell to the Flandreau Indians in the opener and won the season finale over Brookings in the consolation game.

Russ Battey paced the squad in scoring by hitting 348 points and a 15.7 average. Daryl Jungwirth counted 222 points for a 10.1 season's average. Steve Raebel scored 192 points. Jungwirth was the

leading rebounder with 237 retrieves. Battey pulled down 132 caroms and Randy Swedeen grabbed 94. In the assists category Steve Raebel led with 33 feeds. Battey had 28 assists and Dave Dorsey fed for 21 baskets.

Russ Battey and Steve Raebel hit on 36 percent of their shots from the field to lead the team. Jungwirth connected on 34 percent of his shots. Battey also led the team in free throw percentage with 63 percent, followed by Raebel and Jungwirth who shot for 56 percent.

## *Soph, Frosh Cagers Play In YMCA Extravaganza*

Coach Lonnie Scriver took the RHS sophomores to the YMCA Tri-State Basketball Tournament in Sioux Falls on March 24. The sophs dropped their first game to Spencer, Iowa, 50-48, in overtime.

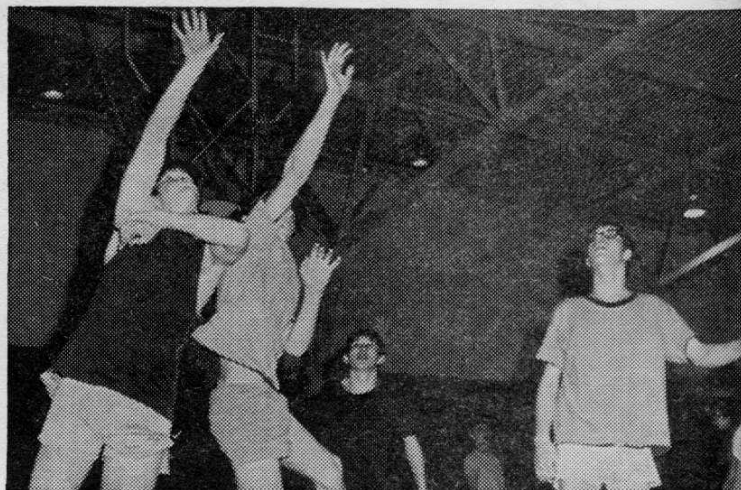

The tournament included teams from South Dakota, Iowa, and Minnesota. Redfield was one of 176 teams participating. This is the largest tournament of its kind in the nation.

The game was close all the way. Spender led 12-9 at the end of the first quarter and 25-22 at the half, but Redfield rallied in the third quarter to lead 32-29. The score was tied at 43 all at the end of regulation play.

Denis Guenther paced Redfield, as he counted 17 points. Don Bruce came off the bench to score 11, and Terry Kegler added 9. Because the tournament was single elimination, the sophs didn't participate in further tournament competition.

Coach Sam Willits accompanied the freshmen to Aberdeen to compete in the YMCA Basketball Tournament. Because of the tournament setup, all teams competed in 2 games.

The frosh lost their first game 81-20 to the Aberdeen Supersonics, but they defeated Groton 56-54 in the second game.

### *Sophs Prepare For YMCA Tourney*

Sophomore and frosh basketball teams practiced diligently this past week in preparation for the Tri-State YMCA Tourney. Nick Bourassa is shown attempting to block a Don Bruce shot, as Denis Guenther and Chad Martin look on.

**Debby Jones**

Debby Jones earned honorable mention in the State Betty Crocker Contest. Over 5,300 girls from 205 schools participated, with first place going to a girl from Rapid City.

# High School Students Express Religious Interests In Groups

Many students at RHS participate in church youth groups on Thursday nights. Each group has much to offer with its various activities, programs, and services.

For instance, the Luther League's activities include a worship service along with its regular lessons. They have held a bake sale and some of their members have visited New York on a group tour. Some have gone on a retreat to the camp site Ne-So-Dak up by Webster and now a trip to Washington State is being planned. The Luther League members also have given a pancake supper and are planning to have an Easter breakfast.

The MYF youth group is also active. Their class on Thursday

BY MARCIA ANDERSON

night may include a movie or a speaker along with their regular discussions. The MYF'ers have visited some of the churches and classes of area towns and have gone as a group to movies in Aberdeen. A special feature of the group is the yearly tour of the United Nations in which a few members are given the opportunity to go. To raise money, the MYF'ers have held a chili supper, and they have sold candles. On Easter morning they will have a sunrise service.

The Congregationalist's youth group, CYU, is part of a state organization to which they belong.

## FFA

CONTINUED FROM PAGE 2

The Redfield Chapter of the Future Farmers of America has a busy schedule planned for these last few months of school. The members will be participating in contests and judging schools.

On March 29, they will attend meats and livestock schools at De Smet and Lake Preston. Members will travel to Morrell's in Sioux Falls, for another meats and livestock school on April 7. Dairy products will be the subject of a school at Hoven on April 8. There will also be a dairy team from Redfield participating.

On April 16, 17, and 18 the State FFA Convention will be held in Brookings. The annual Parent-Banquet is being planned for May

Randy Bush is their representative on the State Youth Council, and its convention was held at Huron last October. Classes Thursday nights may include programs, speakers, films, etc. The CYU members are planning an entertainment night in April, and some may get to go to a Black Hills campsite. A pancake supper has been held and a sunrise Easter service and breakfast is being planned.

CYO is the Catholic youth group. A special event each year is the teen encounter in which students from other churches are invited. The CYO members have held a spaghetti supper and a bake sale. A pancake breakfast is being planned for April 16, and a dance is under discussion for this summer. A picnic is also being discussed. CYO classes include class discussions with occasional movies. An Easter Vigil service is held every year.

President of the Luther League is Barb Aaker; secretary is Marla Schmidt; vice president is Mike Brink; and treasurer is Brenda Miller.

MYF has Marcia Strivens as its president. Doug Foglesong serves as vice president, and Lois Siebrecht is secretary-treasurer.

CYU is headed by Randy Bush. Rod Hardie is vice president with Marcene Gallup, secretary treasurer. Gwen Galvin is president CYO and Tim Esser is vice president. Secretary is Ann Keller and treasurer is Marilyn Roth.

**Reed Siegling Encourages Team**

Reed Siegling gives his midjet basketball team a pep talk during a time out. Reed is one of the many varsity and sophomore cagers who assisted Mr. Barney Clemens with Winter Recreation Program sponsored by the Redfield Chamber of Commerce.

## Key Clubbers To Face Keyette, Faculty Teams

Highlighting an evening of basketball on March 28 will be the annual clash between the RHS faculty and the Redfield Key Club at the Redfield Armory. A Keyette-Key Club dual at 6:30 p.m., is the preliminary game.

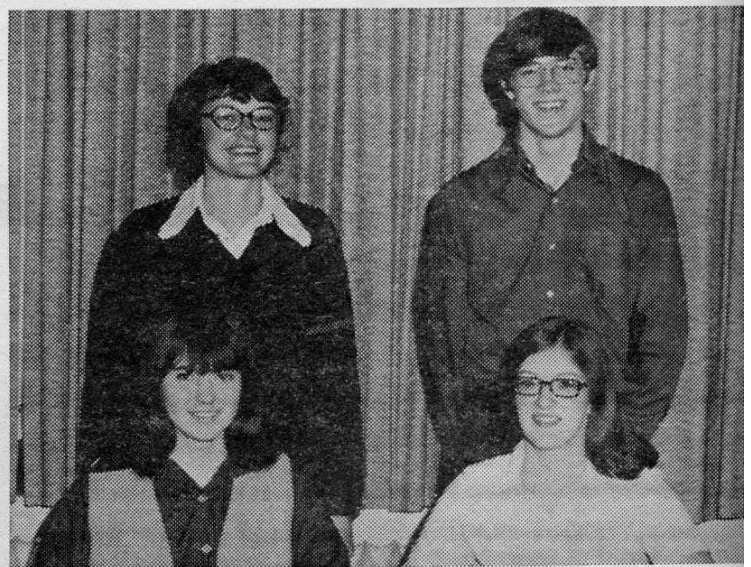

The faculty will be anxious to chalk up a victory after last year's 89-48 drubbing. The faculty will be going with the same squad as last year, while the Key Club's main thrust will come from the varsity basketball players in the club.

In the first annual Key-Keyette game last year, the Keyettes pulled out a hotly-disputed victory, 26-24, so the Key Clubbers will be seeking revenge. To accommodate the talent of the Keyettes, the

Key Clubbers will be required to wear a boxing glove on their shooting hands and an eye patch over their focusing eye.

Referees for the first contest will be Mr. Sam Willits and Mrs. Gary Schumacher, and Mr. Rollie Nielson and Mr. Larry Eldeen will officiate the Key-faculty game. Concessions will be sold by the Keyettes. Admission will be thirty cents.

**BOWL FOR FUN  
FITNESS  
AT THE  
Ringneck Lanes  
PHONE 472-9969**

**Local Church Youth Leaders**

These four RHS students are the presidents of their respective church youth groups. In the back row are Barb Aaker, left, and Randy Bush. Seated are Gwen Galvin and Marcia Strivens. Barb leads the Lutheran group, Randy heads the Congregational organization, Gwen is the Catholic president, and Marcia is in charge of the United Methodist youth.
