

Key Clubbers Serve On District Board

RHS Key Club received its share of the honors at the District Key Club Convention in Fargo on April 21-23. Tom Gallagher, left, was the recipient of the Key of Service Award, and Paul Patterson and Randy Bush secured the positions of District Secretary and Governor, respectively.

Redfield Key Clubbers Receive Laurels At District Convention

Randy Bush obtained the governorship of the Minnesota-Dakotas District of Key Club and Paul Patterson was elected District secretary at the annual District Key Club Convention. The convention was held in Fargo, North Dakota, on April 21-23.

Tom Gallagher stepped down from his office of South Dakota Lieutenant Governor by being awarded the "Key of Service," the highest award given to a board member. Bush moved from treasurer to governor.

Randy will be the district's chief executive and will preside over all board meetings and will also be general chairman of next year's convention.

Paul's duties for the coming year will be taking minutes at all board of trustees' meetings, keeping complete file records of the district, and acquiring information for a district directory. Patterson was also awarded the District Reporting Award, presented to the club secretary best completing his duties.

Other RHS Key Clubbers attending were Tom Moon, RHS president-elect; Steve Jones, secretary-elect; Kevin Gaulrapp; and Reed Siegling. The Redfield delegation was accompanied by Kiwanis advisor Mr. Les Jenkins and were among over 300 Key Clubbers from the three-state area present

for the yearly highlight.

Several speakers highlighted the convention. Jim Conzelman, Key Club International Trustee from Montana, addressed the delegation at the Keynote session. He spoke on the new revolution in Key Club. Kiwanis District Gov-

FFA'ers View State Convo

Future Farmers met at the annual state convention held in Brookings on April 16-18. Individual and team contests were held.

In the farm mechanics division, Rick Van Vleet received an honorable mention. The Redfield crops team won an honorable mention, while Dale Crump and Mike Sanger received individual honorable mentions.

Redfield's dairy team captured 7th in state competition, and individually, Mike Brink tied for fifth and Dennis Becker received an honorable mention.

The livestock team tied for 8th place, and individual awards were given to Gary Lambert and Mike Brink.

Individually in the poultry division, Jerry Levtzow received an

Juniors Pick Theme 'This Magic Moment'

"This Magic Moment" is the theme for this year's Junior-Senior Prom to be held on May 6. The banquet and dance will take place in the armory.

The Junior Class will decorate for the prom on May 5-6. It will be decorated in the Senior Class colors of royal purple and orchid. The seniors' motto is "Only that day dawns to which we are awake." The class flower is the pink rose.

Mrs. Beverly Sampson is in charge of the banquet preparations. Heading the decorating committee is Mr. Elroy Likness. Red-

field's Catering Service will be providing the meal for the evening.

Mr. Sam Willits is speaker for the evening. The welcome to the guests will be given by Paul Patterson. Senior Class President Barb Aaker will give the response. The Senior Class Prophecy will be read by Marilyn Roth and Tom Gallagher. Marcia Strivens and Ton Nuhsbaumer will present the Senior Class Will to the Juniors.

Kevin Boschee will give a toast to the graduating Senior Class. Barb Aaker, Kathy Anderson, Sheila Gates, and Bill Zahn will provide the entertainment for the banquet. Ending the evening's program will be Kathy Nuhsbaumer with a farewell to the seniors.

Students Win Math Honors

Jim Welke, Barb Aaker, and Debby Jones placed in the NSC math contest on April 22. Mr. Henry Dunkel and Mr. Larry Eldeen accompanied the 24 RHS students participating in the event.

Tests are given in four areas of math. The freshman tests are concerned with basic algebra. The sophomores are tested on concepts of geometry. Algebra II is the subject of the junior tests. The seniors are tested on advanced math, composed of both algebra and geometry.

In the sophomore geometry division, Jim Welke captured third

Students Place High In NSC Math Contest

RHS had three Northern State math contest winners. Barb Aaker took first in the senior math division with Debby Jones second. Jim Welke took third in the geometry division. Twenty-one students from Redfield participated in the contests on April 22.

From The Editor...

Council Should Further Concerns

This school year has gone by with little change in student policy. This is characterized by student council's inactivity. With the exception of the dress code dispute early in the school year, little action has been taken directly relating to student affairs. One could possibly assume that the students are satisfied and that little is needed in changes.

This attitude certainly wasn't prevalent at the student council meeting with the North Central evaluators last week. Council members aired many grievances that had previously not been mentioned. Matters relating to curriculum, faculty-student relations, and various regulations were discussed at the meeting.

Most of the areas have not been covered by student council in the past. Student council should strongly consider dealing with these areas. It should serve as a source of expression of the student body's opinion in these matters. Although the council has no authority in these areas, it could increase the student group's influence if worked properly.

The upcoming student council elections may determine the direction student council will take in the following year. It is up to us to decide whether the group will continue in a narrow course or expand its range of concerns. As in any change in student affairs, it must originate with the students. We must let the candidates know that there is concern, and that we want to see things changed.

Redfield Senior Scholar Wins Four-Year Grant

Named a winner in the 1972 National Merit Scholarship program is Debby Jones. She will receive a standard four year scholarship from the Singer Company.

There are several types of Merit Scholarships. The standard four year scholarships are sponsored by business and industrial firms. There were 1,275 of this type of scholarships awarded this year; however, only four were won by South Dakota students. The other

three recipients are from Sioux Falls, Rapid City, and Aberdeen.

Scholarship winners are selected from a field of finalists. Five other RHS seniors achieved this rank in Merit competition. They are Bill Kent, Martha Perry, Tom Gallagher, Barb Aaker, and Jane Bradley. These students are still eligible for the Merit scholarships yet to be announced.

Letter To The Editor

I wish to thank all members of our student body for their assistance with the North Central evaluation completed last Monday and Tuesday. You all helped by your responses in the questionnaires which you filled out, as well as cooperating during the time of the team visitation.

British Notes..

English Track Differs

BY MIKE PEARCE

Having just attended my first big track meet at Redfield to watch the Redfield Relays, I have decided that they are like the

Sports Day we have at home. There is one main difference, and that is at all the meets here there always seem to be more athletes

than spectators. At home it is the reverse.

On an afternoon in the latter part of June, the whole school moves to the athletic field to watch the very small minority who exert themselves in the various events. As I mentioned in one of my earlier ramblings, the school is divided into four houses. Well, these compete against each

other in events.

Not only do the boys race and compete, but the girls compete against each other, too. Unlike Redfield meets, the weather at home is usually up in the high 70's and so everyone sits and boils in their thick uniforms. Here it seems that it rains all the time, or if it doesn't, it is a miserable day.

During the afternoon all the usual events are gone through while the crowd sits and sleeps or goofs around. Nobody pays much attention to the track events, except the adults who have chairs to sit on. The rest sit on the ground. As most of the staff work there is little order kept. Nevertheless, very few people skip out as there are often staff patrolling the town and also most people live far out of town and there is little to do in town.

Faculty Chooses Juniors For Society Membership

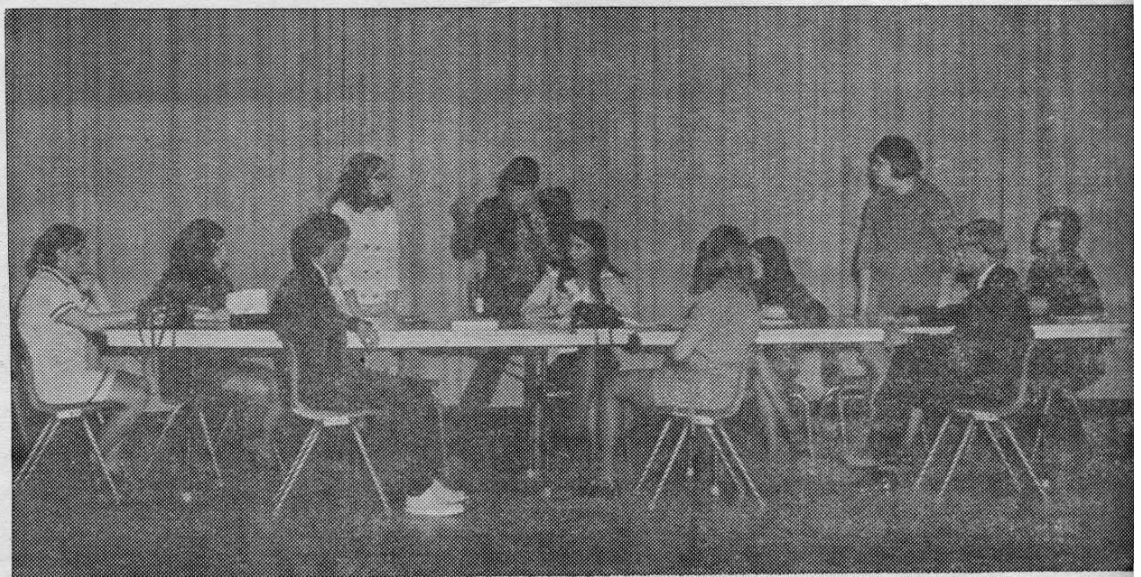

New National Honor Society members will be initiated on May 2, 1972. The nine juniors chosen for the honor are Bill Betten, Rita Silins, Randy Bush, Daryl Muellenberg, Ann Keller, Debbie Harr, LeAnn Kleinsasser, John Weisflock, and Marla Schmidt.

The new members will be inducted at an assembly during second period on May 2. The parents of the initiates will be meeting with the students for coffee after the installation ceremonies.

To be eligible for membership,

students must be in the upper third of their class. Selections by the faculty are based on character, scholarship, service, and leadership.

National Honor Society is the highest honor that the school can bestow on its students. The officers of the NHS this year are Tom Gallagher, president; Russ Battey serves as vice-president; Betty Miesen is secretary-treasurer; and Marilyn Roth represents the group on Student Council.

Junior Class Actors Present 'Twelve Angry Jurors'

The Junior Class Play, "TWELVE ANGRY JURORS," was held on April 21 and 22. The

entire action of the play took place in the jury room. A dramatic scene from the play is shown above.

Two Mile Relay Team Finishes Third

Bill Betten, right, leads the first leg of the two mile relay at the Redfield Relays held here on April 26. Miller won the race, and Redfield placed third in the event.

Runners Win Big Four, Engage In Redfield, Sisseton Relays

Athletes from Redfield High School captured their sixteenth straight Big Four track title at Redfield April 26. The Pheasants tallied 93 points to outdistance second place Gettysburg by 25 points in taking what was also their nineteenth title in the 20 year history of the event.

Redfield won the meet on depth, winning only six of 18 events but placing in all events. Kevin Boschee turned in an outstanding individual performance in winning the 100 and 220 yard dashes. Rod Hardie was another individual winner, capturing the 440 yard dash. Scott Hicks was the other individual winner from Redfield, winning the triple jump. The 880 yard relay team, composed of Eric Flint, Boschee, Dean Jan-

kord and Steve Raebel, raced to victory in their event as did the team of Raebel, Flint, Don Zundel, and Hardie in the mile relay.

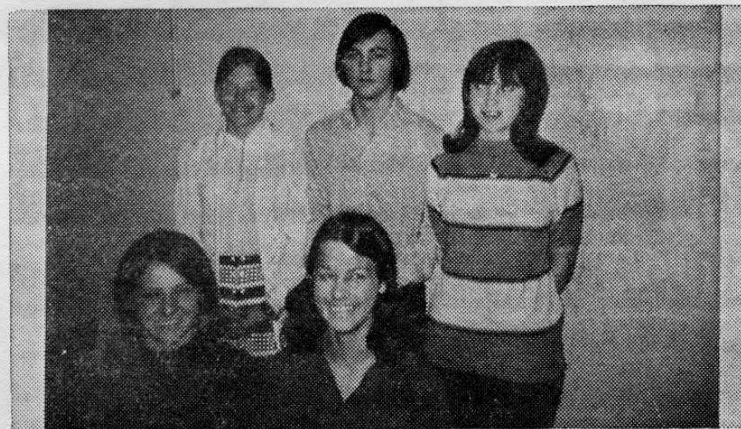

On April 28, Coach Ken Greeno took his RHS track squad to Sisseton to compete in the Sisseton Relays. Team points were not kept for the meet.

Kevin Boschee was the only individual winner for Redfield, as he won the 100 yard dash. Doug Fink placed second in the 180 yard low hurdles.

The 440 and 880 relay teams, comprised of Dean Jankord, Eric Flint, Steve Raebel, and Kevin Boschee both finished second. The medley relay team placed fourth.

Another successful Redfield Relays took place April 21. Although no team totals were kept, Pheasant tracksters managed to cop their share of the honors at the meet, which drew over 1000 athletes from 64 schools.

Redfield runners captured a lion's share of honors in the relays. Pheasant striders won four of the six Class A relays and placed third in another. A record time was set by the victorious hurdle relay team made up of Lonnie Robertson, Rich Jankord, Scott Hicks and Doug Fink. The group eclipsed the record, which was previously set by another Pheasant team.

New 'A' Football Cheerleaders

Leading the cheers for the football team this season will be Gwen Galvin, Susan Sporer, Zill Zahn, Janet Guenther, and Lavonne Opitz, who isn't pictured. The cheerleaders were chosen by the student body on April 26. Lavonne and Janet are both sophomores. Debbie, Gwen, Susan, and Bill are juniors.

Track Men To Host Northern Plains Meet

Redfield tracksters will have relatively few meets during the upcoming weeks. All of the meets, however, are important ones and the Pheasants will be putting out in hope of gaining victories.

First of the meets will be the Northern Plains Meet in Redfield on May 5. Normally, Faulkton, Northwestern, Willow Lake, and Redfield would be participating in the meet, but this year Castlewood will be entered instead of Willow Lake. It looks to be a well-balanced event, with Redfield perhaps holding a slight edge.

On May 12, the Pheasant thin-clads will travel to Aberdeen for the all-important Northeast Conference Track Meet. Redfield is the defending champion, as has been the case for the past few years, and the tracksters of Coach

Ken Greeno will be out looking to add another to their long string of conference titles.

May 20 marks the date for the regional track meet at Watertown. This is the event which decides which athletes will participate in the state meet, and is undoubtedly one of the most important of the track season.

Following the regional, the state meet will be held at Mitchell May 26-27. Events which have been strong for the Pheasants during the season, and may make a showing in the state meet are the 880 and mile relays, along with the

THE PHEASANT CALL 3

REDFIELD HIGH SCHOOL

sprints in which Kevin Boschee has done well. Seniors Don Zundel, Rod Hardie, Steve Raebel, Pat O'Connor, and Don Siebrecht will be finishing out their high school careers, and hoping to qualify for this meet.

Body Selects Cheerleaders

Football cheerleaders for the 1972-73 school year were recently chosen at a school assembly. The student body chose both the "A" and "B" cheerleading squads.

Each tryout led the cheer, "FIGHT," and did three jumps: regular, scissors, and hurkee. The performance was then completed with either a cartwheel, splits, or both.

Members chosen to be on the "A" squad must be in the Junior or Senior Class. They are Lavonne Opitz, Debbie Harr, Bill Zahn, Gwen Galvin, Susan Sporer, and Janet Guenther. The "B" squad, consisting of freshmen and sophomores, include Dianne Strande, Cathy Patterson, Cindy Hansen, Jody Munger, Judy Boub, and Cindy Schmidt.

Relay Queens

Award Medals

Relay Queens for the 1972 Redfield Relays were elected by the RHS track squad. Chosen were Jill Noyes, Jane Bradley, Danon Flint, Marilyn Roth, and Gwen Galvin.

The girls were chosen to present the awards at the Redfield hosted track meets. They began their duties at the Redfield Relays, which were held April 21.

All the girls are seniors at RHS except Gwen, who is a junior. This is Jill's third year as a Relay Queen, and the first year for Danon, Jane, Marilyn and Gwen.

'Rednecks' Seek Student Body Offices

One of the parties vying for student body offices is Rednecks. Heading this ticket is Paul Patterson, left, who is running for president. Kevin Gaulrapp and Randy Bush are secretary and vice president candidates, respectively.

Girl Runners Top Field At Aberdeen, Madison

RHS track girls have won all three meets in which they've participated. They have won the Aberdeen Invitational, the Madison Invitational, and the Aberdeen dual.

At the Aberdeen Invitational, last Monday, Lavone Opitz won first place in the 80 yard hurdles, the 100 meter hurdles, the long jump, and anchored the winning 440 relay team. Cindy Hansen placed first in the 50 yard dash, fifth in the long jump, ran on the winning 440 relay team, and the medley relay which finished second.

Kelly Miller, an eighth grader,

hurdles. Her times of :11.1 and :15.4, respectively, are two new state records. She also jumped a distance of 15' 9½" for a school record.

The relay teams came in first in the 440 yard, 880 yard, and the medley relays. The girls placed second in the mile relay.

Kelly Miller and Marcia Andersen came in first in the 440 yard run and the 880 yard run, respectively. Patty Miesen won second place in the 880 yard run.

4 THE PHEASANT CALL Monday, May 1, 1972, REDFIELD HIGH SCHOOL

made a school record with her winning time of :66.8 for the 440 yard dash. Running on the winning 440 relay team were Cindy Hansen, Darlys Olson, Dianne Strande, and Lavone Opitz.

Madison Invitational

The RHS girls won at the Madison Invitational, April 22, with 85½ points. Two state records and five school records were made. Again, Lavone Opitz made a good show in the 80 yard and 100 yard

Key Club

Governor's Banquet.

The convention included workshops on all phases of Key Clubbing, passing of resolutions and by-laws, and various contests. Redfield's Key Club was second place winner in the "Unite for Progress" competition.

Juniors Strive For Council Election

Bill Zahn, left, leads the "Prunies" in their bid for student body elections. Accompanying Bill on the ticket are Leah Gueke, candidate for secretary, and Daryl Jungwirth, Prunies vice president candidate. Campaigning will be done this week, with voting coming Thursday and Friday.

RHS Completes North Central Evaluation

Redfield High School has just completed the North Central Evaluation. The purpose of this evaluation is to permit staff members to do a self-evaluation and then have a visiting team of professional educators come in and discuss

the strengths and weaknesses of the reports.

The visitation committee was comprised of sixteen members with Dr. Dennis Kraft, Director of Student teaching at Northern State College, the chairman of the committee.

The members of the committee visited classes, talked to students, met with teachers, school board members, and businessmen on main street. A few members of the visiting committee contacted the rural community by stopping at some of the farms in the Redfield District.

On Tuesday afternoon Dr. Kraft presented an oral report of their findings to all staff members and members of the Board of Education. A written report will be submitted to the Redfield schools at a later date which contains much more detailed information about the evaluation.

Band Hosts Music Clinic

Mr. Darwin Walker was guest clinician for the RHS band clinic held April 20. Mr. Walker conducts the Northern State College band.

Local band clinics are usually held once a year. Mr. Mayo Weisflock, RHS band instructor, indicated that these clinics are held to evaluate and improve the local band.

At this year's clinic the band played prepared selections. Then Mr. Walker suggested ways to improve the presentation. The band played about fifteen selections during the clinic.

FFA

excellent and Clyde Harr was given honorable mention. The poultry team captured 9th place.

FFA chapter members from Redfield receiving the State Farmer Degree this year were Tom Nuhsbaumer, Bruce Cartner, Gary Lambert, and Mike Brink. To earn this degree, one has to make over \$500 on one's supervised farming project. Then one must apply to the State Association of FFA, who select the members to receive the degree.
