From The Editor...

With Freedom Comes Responsibility

Redfield High School opened its door for the 1972-73 year looking very different from years past. With the many changes in structure and opportunity for the student, the question arises how will the students face this "new look?"

Changes have been made for the benefit of the student and the student will have more responsibility. Whether or not he faces up to these responsibilities will determine the success of the school system and the success of our generation.

Our generation has been called the most educated and most concerned generation in history. Do you believe this? Maybe it should be reworded to say our generation has had the best opportunity to be educated and concerned. We have some work to do to prove that we have great potential. The fact is the minority is holding the image of the majority above the water. This is a year to dedicate ourselves to a purpose, find something meaningful that we can relate to and express ourselves through it.

The trend of society today is moving toward the individual. People must learn to be self-reliant to function successfully in our society. Are you going to be able to cope without a dress code? Or will you abuse your rights by acting in defiance.

The point hopefully coming across is the need for self-evaluation. We must look at our actions and decide whether they have a purpose and if they are logical. We can no longer exist living in confusion and indecision. The society will not tolerate such an individual. To truly gain the things we should out of high school, we have to be aware and involved.

This school has a tradition of being respected by the community and by area schools. We have been told many times to live up to the image which the school has established. Something that may prove to be more satisfying to the individual student is to let the school stand for what the students are and believe. This would not necessarily change the image but shed a new light on it. It is a challenge for this student body to let RHS stand for what we are: a concerned, educated group of individuals.

RHS Finds Small Jobs

Again, during the school year, the RHS Guidance Department will be providing a Job Placement Service. Several students have applied who are interested in securing a job on a part-time or occasional basis.

Townspeople have been asked to call the high school if they can offer a student a part time or an occasional job. This year, Placement Service will be working with the Jaycees' employment service so that there will be one unified effort in the Redfield area.

The school will handle the job service from September to May; the Jaycees will provide the service throughout the summer months. Interested students may fill out a job application form in the Guidance Office.

AFS'er Welcomed By His American Brothers

Nacor Martinez, center, is Redfield's 1972-73 Foreign Exchange Student from Venezuela. Helping him get acquainted are his American brothers, Kerry and Kory Jackson.

Venezuelan AFS Student Joins American Family

Redfield's 1972-73 American Foreign Exchange Student is Nacor Martinez. Nacor will make his home with the Richard Jacksons during his stay in Redfield.

Nacor's hometown is Acaegua, Venezuela. It is a city of 100,000. He attended school in Acaegua from 2:30-5:50 in the afternoon, and from 7:15-11:30 in the morning. Nacor found time between his studies to participate on the soccer team. His favorite subjects deal with biology. After completion of high school, Nacor plans to study medicine at the university.

Nacor's father works as an in-

ternational highway supervisor and his mother is a housewife. Nacor has two older brothers, Orlando, 25, and Rodugo, 21. He also has two younger brothers, Ybrahim, 16, and Mikko, 7.

Although he really hasn't seen much of America yet, what Nacor has seen he likes. He especially wants to see snow. He has found the people to be very nice — in his words, "mucho friendly."

Pheasants To Face Milbank Challenge

Coach Roland Nielson opened his '72 football season August 17 with a young but experienced squad. Juniors lead the returning lettermen with 11, and the seniors have 7.

"B" football Coach Sam Willits has 11 sophomores and 14 freshmen. The turnout this year is smaller than other years, but there is much talent.

Coach Nielson predicts Roncalli, Webster, Groton, and Sisseton shall be the towns to beat for the NEC title. Coach Nielson also thinks his team will be a contender for the title.

Redfield Gridders began workouts August 17. A squad of 44 players reported for practice 11 seniors, 18 juniors, and 15 sophomores.

In their homecoming game the Redfield squad will meet Milbank on September 22. Last year the Pheasants were defeated by Milbank, 24-6.

SISSETON

Redfield gridders opened up NEC conference play on September 15 by beating the Sisseton Redmen 26-16.

Sisseton opened the scoring early in the first quarter on a long pass play and their try for points was good. Redfield came right back and scored on a four yard pass from Denis Guenther to Randy Wwedeen. The same combination clicked for the extra points. Redfield tallied in the second quarter on a four yard run by Doug Fink. The Pheasants led at the half, 14-8.

Redfield scored in the third quarter on a 31 yard run by Bill Marlette, but the conversion attempt failed. The Pheasants final touchdown came on an eight yard pass from Guenther to Steve Betten. Sisseton then scored a touchdown on a short run and converted

the extra points to finish the scoring.

MOBRIDGE

Redfield was defeated by Mobridge 14-12 in a game played at Redfield on September 8. The non-conference game set the Pheasants record at 1-1.

Both teams were scoreless at the end of the 1st quarter, but Redfield scored early in the 2nd quarter on a 5-yard pass from quarterback Denis Guenther to Randy Swedeen. The conversion attempt failed. The Pheasants jumped to an early 1st quarter lead when defensive end Tim Day recorded a safety after the ball had been hiked over the Miller punter's head deep in their own territory.

The Pheasants then added to their score in the 2nd quarter on a 5-yard touchdown pass from Denis Guenther to Randy Swedeen. The try for extra points failed, leaving Redfield in the lead at halftime 8-0.

Coach Sam Willits' football team opened its season with a victory over the Clark Chicks by the score of 14-6 on September 5. The game was played in Redfield.

The powerful "B" offense, led by Kendall Swedeen, drove the length of the field before Tim Booze scored on a four yard run. A sweep around end by Tim Booze accounted for the second score. The PAT pass to Jerry Brown was good on the second attempt.
